

# Save a little money🐾🐾 Save a lot of lives!

Two great organizations, Oregon Spay/Neuter Fund and The Bend Spay + Neuter Project, are teaming up to help you **save an extra \$10 on each and every spay and neuter surgery** for your cat or dog. There are no income restrictions for redeeming this offer, and no extra fees for pregnant animals. Clip the coupon below, give one to a friend, and call BSNP to make your appointment. This clinic offers the lowest fees for spay and neuter services in Central Oregon, and now the deal is even better!!!

Spayed and Neutered pets:

- 🐾 Live longer lives with fewer health problems
- 🐾 Are easier to train and happier, more sociable companions
- 🐾 Have fewer behavioral issues and are less likely to run away, get hit by cars, and get in fights
- 🐾 Won't contribute to the overpopulation and euthanasia of pets at shelters

**Call Bend Spay + Neuter Project to make an appointment (541) 617-1010**
